

CSSA September Workshop - An Italic Adventure!

Let's dive into the Italic Hand together on
Sunday 26th September 2021 - 1.15 to 4pm

Together we'll travel from Renaissance Italy

to modern day.

By splitting ourselves into 2 groups we aim to ensure we cater for all levels of skills. It's up to you to decide which group to join – but you must let us know when you book your workshop spot.

***Joy Adams** will lead the session for Beginners and those who aren't confident in Italic lettering; and*

***Anne Taylor** will lead the session for Improvers, those of us who already have some experience in Italic under their belt and want to learn more and develop advanced skills in different variations and techniques.*

***Jan Brooks** will take a 'dive' into the Calligrapher's Kitbag and give us an in-depth look at the equipment which a working calligrapher needs to have on hand.*

As always, please book a spot with Vanessa vanessa.kingsborough@gmail.com and tell her which group you will be joining. If you need to book a Zoom spot we still would like you to nominate which group you will be working with.
